Utah Club Swimming

Registration Form 2015-2016 Season

Welcome!

Thank you for your interest in the University of Utah Club Swim Team. We hope that you will take the time to review this form and take the steps toward becoming a member of our team. Below you will find information detailing your membership dues and what is provided upon joining, as well as all the pertinent information on how to join.

The University of Utah Club Swim Team strives to offer a flexible training schedule built around the needs of an active college student, an engaging team environment and challenging practices. Athletes of every level should feel welcome on our team as we learn the skills necessary to swim in a competitive environment, and foster a passion for hard work and the sport of swimming.

We hope to see you in the water soon!

Your 2015-2016 President,

Ethan Beseris

Competition

As of Fall 2015, our team competes in local meets through US Masters swimming. Competitors at these meets include Utah State Swimming, Boise State Club Swimming, and other area US Masters teams. We compete roughly once per month, with schedules announced at the start of the year (see below). The season concludes with a trip to East Coast Collegiate Swim & Dive National Championships, in Atlanta, Georgia (see next section).

Those wishing to compete will need to register as an athlete on the [US Masters website](#). Our team name on USMS is University of Utah Club Swimming (UUCS). Individual registration for USMS opens November 1st, 2015. The price for individual registration for USMS is **\$45.00** and must be paid BY THE INDIVIDUAL if they wish to compete.

April 8 th -10 th	East Coast Collegiate Swim & Dive Club National Championships Georgia Institute of Technology, Atlanta, GA

ECC Nationals

The East Coast Collegiate Swim & Dive Club National Championship is a national competition for collegiate club teams only, and will serve as our season's championship meet. Participation in nationals, like any other meet, is **non-mandatory**, but highly encouraged. ECC Nationals are NOT included in your dues package, and will be an extra expense for those wishing to participate.

As of July 2015, the budget estimates the final cost per individual for nationals, including airfare, lodging, and food, as **\$507.00**. However, because our funding through ASUU is entirely reimbursement, athletes must be able to front an additional **\$180.00** when registering for the meet, for an initial total of **\$687.00**. The extra \$180.00 will be credited back to the individual in late July/August of 2016. Note that while registration for Nationals will not be due until the Spring semester, we highly recommend that all interested athletes begin budgeting and making preparations for such expenditures **now**.

Donations

Because our organization is student-run, and receives no funding from Campus Recreation Services, large portions of our expenditures are funded through private donations. If you or a family member wish to make a charitable donation to the team, you may either include it in your total costs, or pay online through a secure PayPal domain. We welcome donations of any amount, and all of our funds are dedicated to giving our athletes the best experience possible.

If yourself or your company is interested in becoming an official sponsor of Utah Club Swimming, please contact us directly at team@utahclubswimming.com.
